MEPCO Offers Expanded Line of Radiator Trap Replacement Cartridge/Elements

For Immediate Release – February 15, 2012

Grand Rapids, MI – MEPCO announces we have expanded our line of replacement cartridges/elements for all major steam trap manufacturers. If you attended the 2012 ASHRAE show in Chicago and stopped by our booth you saw our new cut sheet and some of the new cartridges/elements on display.

You can now get replacement renewal cartridges/elements for all competitive makes and models that need servicing. Our one-piece construction combined with 100% factory calibration and testing under live steam allows for quick and efficient replacement.

A new cut sheet is available on our website. You can place your orders immediately. As always, if you have any questions, please contact customer service.
