MEPCO Introduces Expanded Line Vacuum Breakers

For Immediate Release – May 30, 2012

Grand Rapids, MI – MEPCO announces an expanded line of vacuum breakers. Not only have we re-designed our current adjustable vacuum breaker to handle a maximum of 125 lbs. PSIG, but we have added a new line of pre-set vacuum breakers. The new vacuum breakers have a hex design that provides a long service life and ease of installation. Sizes range from ⅛", ¼" ½" and ¾" NPT and are all rated to 125 lbs. PSIG.

The cut sheet is now available on our website. You can place your orders immediately. As always, if you have any questions, please contact customer service.
