MEPCO Introduces New Universal Valve Handle Repair Kit

For Immediate Release – June1, 2012

Grand Rapids, MI – MEPCO announces we have designed a new universal valve handle repair kit. The MEPCO Universal Valve Handle Repair Kit will fit all major brands of valves. It has a solid brass body, Bakelite handle, is corrosive resistant with a carbon steel insert and hardened steel set screws. The "bargain" brands can melt or strip out but the MEPCO handles will last for years.

The cut sheet is available on our website and you can place your orders immediately. As always, if you have any questions, please contact customer service.
